## PROMOTION WORK

The following is the report to the  
Promotion Committee for the week:  
Honolulu, July 29, 1909.

Chairman and Members Hawaii Pro-

motion Committee.

Gentlemen: Under date of June 30,  
we sent out some 5,000 special letters  
reading as follows:

"Just a few lines to call your at-  
tention to the enclosed leaflet giving  
data concerning our peerless climate.  
"Hawaii is not only a delightful  
place to spend your vacation but the  
conditions are ideal for the ill, over-  
worked and nervous.

"A bracing ocean voyage.

"The pleasure of living out of doors  
under sunny smiling skies.

"No prostrating heat to dread dur-  
ing the months of summer with mild  
breezes blowing all winter long.

"You are perfectly safe in making  
or recommending a trip to Hawaii at  
any time of the year.

"The cost of living is reasonable.

There are large fashionable hotels for  
those who prefer them; Seaside re-

sorts, modest homelike family hotels  
and many garden embowered boarding  
houses, nicely kept, whose rates will  
suit the most economical.

"Cottages furnished and unfurnish-  
ed may also be had at reasonable  
rates.

"Should you desire our illustrated  
folder, giving complete information  
about Hawaii, we will be pleased to  
send the same to you without charge."

These letters were sent to every hos-  
pital and sanitarium in the United  
States and Canada, as well as to every  
medical man in certain counties of  
different states.

By the Mongolia, we received let-  
ters from physicians in Utah, Massa-  
chusetts, Indiana, New York, New  
Hampshire, Ohio, Iowa and Minnesota,  
stating that the special letter and cli-  
matic pamphlet had interested them  
greatly and asking for further in-  
formation about Hawaii.

The librarian of the Cincinnati Pub-  
lic Library writes for two additional  
copies of "Hawaii, A Primer," stating  
that those previously sent have been  
practically thumbed to pieces. The  
fifth edition of this pamphlet, revised  
and enlarged, (50,000 copies), will be  
ready for distribution within the next  
two weeks and, when ready, we will  
again send out copies to every library  
in the United States and Canada.

Crossman brothers, among the largest  
dealers in seeds in the United  
States, acknowledge the receipt of our  
circular letter in regard to an opening  
in Hawaii for a commercial plant and  
seed nursery and state that they are  
greatly interested in the proposition  
and hope to be able to arrange to send  
out a representative to look the field  
over before long.

Our Los Angeles representative,  
Mrs. Frances King Heudlee, writes un-  
der date of July 21st as follows:

"Arriving home on the 15th, I found  
the work had continued without any  
break until my arrival. The city was  
in gala dress and many thousands of  
visitors here.

"I met the Honolulu Elks with J.

## GREAT SENSATION

The Actophone at the Gem Theater  
brought before the people the great-  
est living stars of Europe and Amer-  
ica as presented in grand opera and  
vaudeville. It is a sight of a lifetime,  
interesting, educational, mystifying,  
astonishing and amusing. Billy Wil-  
liams in the postcard scene received  
tremendous applause. The perform-  
ance throughout worked in startling  
unison and more than came up to the  
expectation of the most skeptical pat-  
rons. Tyrolan quartette, chorus and

SECOND OFFICER OF BARK RITH-  
ET APPEALS FROM SENTENCE  
FOR ASSAULT.

Judge Andrade this morning sen-  
tenced Fred Carlson, second officer of  
the bark R. P. Rithet, to five months  
imprisonment for assault and battery  
on the former first officer of that rap-  
id business and pleasure craft.

Erickson told his story, to the ef-  
fect that the second officer, a burly  
chap, had contracted a souse and, be-  
cause he had been ordered to his cab-  
in, blamed the first officer for what  
he said was unfair treatment and then  
slammed him in the jaw, knocked him  
down and kicked him several times  
in the face and ribs, causing him to  
be shelved in the Queen's hospital  
for eight days.

Charles Chillingworth appeared for  
defendant and noted an appeal, re-  
marking that the defendant had a good  
character and that there had been  
mitigating circumstances in the mat-  
ter of assault.

Bond on appeal was fixed at \$250.  
Carlson had been kept in a cell, un-  
able to furnish \$500 bond, and was  
originally charged with assault with  
intent to murder.

The assault occurred aboard the  
bark R. P. Rithet while she was lying  
in this harbor and became a police  
court case, although the Federal au-  
thorities took up a murder case when  
it occurred under similar circumstan-  
ces, that is aboard the steamship Rose-  
crans which was moored to the wharf  
in the harbor. City and County As-  
sistant Attorney A. M. Brown con-  
ducted the prosecution.

WILL ADDRESS  
BUSINESS MEN

CHIEF HYDROGRAPHER M. O.  
LEIGHTON WILL GIVE TALK BE-  
FORE LOCAL CHAMBER OF  
COMMERCE.

Before leaving Honolulu on his re-  
turn trip to Washington, M. O. Leigh-  
ton, the chief hydrographer of the  
Federal Government, will deliver an  
address on the subject of his work  
before the Chamber of Commerce. In  
reply to a letter from Secretary H. P.  
Wood of the Chamber he stated that  
he would be unable to do so at the  
present time but that when he had  
spent a few weeks here and become  
familiar with the work which he was  
taking up, he would be glad to talk  
to the Chamber.

HAWAII MAY  
BE LEFT OUT

CENSUS BILL DOES NOT PROVIDE  
FOR SUPERVISOR FOR THIS  
TERRITORY IN TERMS.

From the text of the Census bill  
which was recently passed by Con-  
gress it seems quite possible that no  
census supervisor will be appointed  
for this Territory. The act referred  
to says in part:

"That the Director of the Census,  
in his discretion, need not designate  
supervisors for Alaska and the Ter-  
ritory of Hawaii, but in lieu thereof  
may employ special agents as hereinafter  
provided."

The section providing for the ap-  
pointment of special agents allows  
their appointment by the Director at  
pay of not more than \$6 per day and  
actual traveling expenses, with allow-  
ance for subsistence at not more than  
\$3 per day. If a special agent should  
be appointed it is likely that he would  
be a man who has already had expe-  
rience in the work and would not be  
one of the local candidates.

LICENSE BUREAU  
CINCHES VIOLATOR

It does not pay to trifle with the  
dignity of the license bureau of the  
City and County of Honolulu, as Aba-  
shiko Mio, Japanese, this morning in  
police court discovered to his \$25  
cost. Mio had neglected to take out  
a \$25 license to give him the privilege  
of selling merchandise, and he con-  
tinued to sell without a permit.  
Whereupon Fred Turill, of the license  
bureau, descended upon him with a  
warrant, and this morning Mio was  
fined \$25 for violation of the law,  
which, also having to pay his license  
r get out of business, makes the City  
and County \$50 richer.

DEADLY  
WEAPONS

ONE PISTOL POINTING AND TWO  
KNIFING AFFAIRS THE SUB-  
JECTS OF INDICTMENTS.

Arrangements of the four defendants  
whose indictments were placed in the  
secret file yesterday were set for two  
o'clock this afternoon.

John Rodriguez, Pedro Carpa and  
Tong Kit are each indicted for assault  
with a deadly weapon.

Rodriguez is charged with the wound-  
ing of Antonio Rodriguez Freitas with  
a knife at Honolulu on July 21.

Carpa is alleged to have used a knife  
on Ramon Matia at Ewa on July 15.  
Tong Kit is accused of pointing a  
loaded revolver at Chin Mow at Wal-  
anae on July 23.

Higashi is indicted for a felonious  
assault on Fusa Morishige, a female  
under fourteen years of age.

MR. HOPKE GONE  
AND GOT MARRIED

"Mr. and Mrs. Emilie Blubacher an-  
nounce the marriage of their daughter,  
Mrs. Marie Louise Brotler, to Mr.  
August Frederick Hopke on Sunday  
the eighteenth of July, one thousand  
nine hundred and nine. Suisun, Cal-  
ifornia."

Mr. Hopke, well known in these is-  
lands, has cast off old bachelorhood  
according to a card reading as above  
received by his old friend, L. M. Vete-  
sen, by last coast mail. For many  
years he was storekeeper for Hawaiian  
Commercial & Sugar Co. at Kahului,  
leaving there in 1894 to become the  
buyer for John D. Spreckels & Bros.,  
Co., San Francisco.

## COURT ITEMS

Remington Typewriter Company has  
brought suit against Leonard G. Kel-  
logg for \$2,400 for merchandise sold  
and delivered to Hawaiian Office Spe-  
cialty Co.

Joe Ambrose sues Loe Ambrose for  
divorce on the ground of intemperance.  
William Hoopli seeks divorce from  
Naonaina Hoopli for desertion.

The old Land Court room is being  
prepared as chambers for U. S. Judge  
Woodruff. It is upstairs in the Ju-  
diciary building, while the Federal court  
room is downstairs, but is the best  
place at present available.

## BODY SNATCHER

A prominent undertaker and em-  
balmer, has made the charge that a  
rival undertaker whose place of busi-  
ness is located on Fort street, is a  
body snatcher. He charges him with  
stealing from him the remains of one  
of Honolulu's most prominent citizens.  
These charges are being considered by  
public opinion with but one concluding  
result and that is that those who are  
still living should endeavor to live as  
long as possible and move out to the  
healthy climate of Kaimuki where the  
real estate exchange has choice lots  
for sale.

The best of the best is where the  
crowd goes and that's the Alexander  
Young Cafe.

ON THE ROAD TO HALEIWA.  
Despite the numerous showers in  
town, there has been little rain in the  
Waialua district so that the road to  
Haleiwa is reported in fine shape. Ha-  
leiwa is having its midsummer dance  
tomorrow night on the broad lanai.  
With the full moon's light and music  
by the native singing boys, it is a  
favored spot for such a dance. Many  
people from town, also from Leilehua,  
are planning to motor down to the  
country hotel for this event.
